Religious Information

Child's Name: _____

Date: _____

Spiritual development is an important part of our program at St. Clare's Preschool. Every week, Tracy Brown, Preschool Chaplain and Sunday School Director for St. Clare's Episcopal Church, holds chapel in the church with the children. The children sing songs, listen to age-appropriate Bible stories, and learn to pray. They learn about God, Jesus Christ, and how much God loves us all.

As part of our preschool community, St. Clare's will include your family email on the distribution list to receive notices of special events, and electronic copies of the Church newsletter. You may unsubscribe at any time. If you would prefer not to receive it, please note here:

Please do not send St. Clare's Church notices or newsletters to my email address:

Would you like someone from the church to contact you to share more information about St. Clare's Church programs and services?

(please circle one) Yes / No

You may also contact the church any time for more information or to speak to our rector, the Rev. Ronald Culmer - Father Ron! (stclare@att.net, 925.462.4802)
