Religious Information

Child's Name: _____

Date: _____

Spiritual development is an important part of our program at St. Clare's Preschool. Once a week, the children have Chapel time with the Chaplain of St. Clare's Preschool. This is a 20-minute story and song time, usually held in the Church. The focus is on how much we are loved, and how much we are called to care for each other. We welcome and respect families from many different faith traditions. As part of our preschool community, St. Clare's will include your family email on the distribution list to receive notices of special events, and electronic copies of the Church newsletter. You may unsubscribe at any time.

If you would prefer not to receive the church newsletter, please note here:

Please **do not** send St. Clare's Church notices or newsletters to my email address: _____

(write email address here, so we can remove it from the church contact list)

Would you like someone from the church to contact you to share more information about St. Clare's Church programs and services?

(please circle one) Yes / No

You may also contact the church any time for more information or to speak to our rector, the Rev. Ronald Culmer - Father Ron! (stclare@att.net, 925.462.4802)
