3. To email to you to show you your child at school
4. To put onto an electronic photo frame to share with preschool families as they drop off and pick up their children (especially if there has been a special activity)

Photos of children's faces will not be posted on our website or social media.

**Field Trip Notification**

The teachers from time to time (and especially in the summer months) may take the children on local walking field trips. This will always be done under close supervision. Each time a trip is arranged you will receive advance notification from your child's teacher. You will be required to sign the notice indicating your consent and return the notice to your teacher. The only children that can leave site are those for who we have received consent.

I understand these arrangements:

**Sunscreen Permission**

I hereby authorize that staff at St. Clare's Preschool can apply sunscreen to my child as needed. I agree to provide sunscreen for my child, with my child's name on it for this purpose. We ask that families apply sunscreen in the morning before coming to school. We will then reapply in the afternoon for Full Day scheduled children.

I authorize sunscreen application:
