

Wait List Application for St. Clare's Preschool School Year 2023-24

Thank you for your interest in St. Clare's Preschool. We are currently fully enrolled in the age group you are interested in for the school year beginning in August 2023. When you submit this form, we will place your child formally on our wait list until December 15, 2023. Please note: placement on the waitlist this year does not provide priority for registration for the next school year. Wait lists are in effect ONLY for the current school year. **After December you will need to call us to find out about Open Enrollment for the 2024-25 school year, and to continue to be on our waitlist for school year 2023-24.**

Karen Berry & Martha Bali
